

Sponsorship Opportunities

Lake Light Sculpture 2020

We invite local businesses to sponsor Lake Light Sculpture.

Would you like to support this major tourism and cultural event which is held over each Easter long-weekend along the beautiful foreshore of Banjo Paterson Park, Jindabyne?

The event, sponsored by major companies such as Thredbo, Snowy Monaro Regional Council, ANU, Lake Crackenback Resort and Snowy Hydro attracts more than 20,000 visits and features more than 140 amazing indoor and outdoor sculptures.

The event is open day and night and one of the major prizes is the Red Energy Illumination prize for the most outstanding illuminated sculpture.

The Smalls Exhibition held at Rydges and sponsored by Kosciuszko First National/Jindabyne Accommodation Centre will again attract a wonderful collection of smaller and more delicate sculptures from a wide cross section of professional and novice artists.

Sponsorship Offers

\$300 – Site Sculpture Stand

\$500 – Site Sculpture Stand and quarter page program advertisement

\$1000 – Site Sculpture Stand (2) and half page program advertisement

\$1000 Plus - Other offers are available on request.

All sponsors are invited to supply vouchers for inclusion in the Artist Welcome Packs. All sponsors are listed in the program.

Sponsorship is an integral part of the running and management of the event and last year \$26,800 in prizemoney was awarded to artists.

Definitions –

Site Sculpture Stand - is a metal A5 stand that marks each entry and lists the name of the artist and the name of the entry along with your logo, a message of support and a brief

sentence about your business. We only have 120 to sell for the outdoor and indoor exhibitions.

Program Advertising - The advertisement appears in the 40-page official event program which is distributed from the exhibition entry tent and through visitor information centres around the area. Print run 3000.

Jump on board and support your local community.

Many thanks
